

**APPLICATION
FOR PARTICIPATION IN IX INTERNATIONAL
SCIENTIFIC-PRACTICAL CONFERENCE
"Actual problems of
engineering mechanics"**

Surname _____

Name _____

Middle name _____

Science degree _____

Academic title _____

Organization name (full) _____

Post address _____

Telephone _____ fax _____

E-mail _____

Report title _____

Payment of registration fee (payment order, receipt)

Date

Signature

UTP University of Science and Technology, Poland

ANNOUNCEMENT

**IX INTERNATIONAL SCIENTIFIC-PRACTICAL
CONFERENCE**

***„ACTUAL PROBLEMS
OF ENGINEERING MECHANICS”***
17 – 20th of May, 2022

ADDRESS OF THE CONFERENCE ORGANIZING COMMITTEE

Odesa State Academy of Civil Engineering and Architecture
Didrikhsona str., 4, 65029, Odesa, Ukraine, Department of Structural Mechanics,
"Actual problems of engineering mechanics" Organizing Committee.
Telephones for reference: (050) 3333754 – Odesa; (048) 732-34-02
E-mail: sng@ogasa.org.ua (theme: "Conference-2022")

KEYDATES

First announcement	till 31.10.2021
Second announcement	till 17.03.2022
Reception of applications, theses, articles	till 30.04.2022
Proceedings publication	till 17.05.2022

CONDITIONS OF PARTICIPATION IN THE CONFERENCE

Registration fee: full participation - 400 UAH, correspondence participation - 100 UAH.
Participants will be accommodated on the base of OSACEA, located near the Black Sea. As part of the conference, a cultural program is provided for guests with visits to the sights of Odessa, museums and theaters. More information about the conditions of participants accommodation and the cultural program on the conference website (<https://sites.google.com/ogasa.org.ua/apem/>).
Theses and abstracts of scientific articles will also be posted here.
Accepted materials will be published in the collection of abstracts of conference reports. The cost of abstract publication is 60 UAH. for each page of A5 format, conference participants can also submit an article for publication in collections: «Bulletin of Odessa State Academy Of Civil Engineering And Architecture» (<http://visnyk-odaba.org.ua/>), «Mechanics and Mathematical Methods» (http://mmm-journal.com.ua/index_en.html), «Odes'kyi Politechnichniy Universytet. Pratsi» (<http://pratsi.opu.ua/>) (Journals are included in the list of professional publications of the Ministry of Education and Science of Ukraine and indexed by **Index Copernicus**, **Google Scholar**, etc. databases. Author's guides for theses and articles are on the conference website (<https://sites.google.com/ogasa.org.ua/apem/>) and on the website of the OSACEA's Department of Structural Mechanics (<https://stroymeh.ogasa.org.ua/>).

Due to the fact that IOPscience (<https://iopscience.iop.org/>) provides indexing of conference materials only in Web of Science, the Organizing Committee of the APEM-2022 Conference signed a contract with AIP (<https://aip.scitation.org/>), which provides indexing of materials in Scopus. Requirements for the design of articles in the attached file.

Conference working languages: **Ukrainian, Russian, English.**

To participate in the conference, it is necessary by 30th of April 2022 to draw up and send to the Organizing Committee: an application for participation; abstracts of reports (up to 4 pages); articles. **The organizing committee sends details for payment only after receiving an application for personal participation and (or) theses of the oral report.**

SCIENTIFIC PROGRAM

It is planned to hold plenary, sectional and poster reports and round tables on the **areas** of:

1. Fundamental researches in the mechanics.
2. Computer mechanics.
3. Building and machine building structures.
4. Biomechanics and bioengineering.
5. Construction materials.

Author's guides for theses preparation

1. Text in the Microsoft Word; single spacing, Times New Roman font.
 2. Page format: A5 148×210 mm; margins: all - 1,5 cm.
 3. Theses materials can be presented in Ukrainian, Russian or English.
 4. The order of the elements of the text and fonts:
 - UDC - 10, on the left;
 - **TITLE** - 12, centered, large, bold;
 - **Surname and initials** - 11, centered; bold;
 - Place of work, e-mail - 9, centered; normal;
 - Main text - 10, by both sides, indent 0,75 cm;
 - references - 9, by both sides, by reference;
 - **TITLE*** - 10, centered, large, bold;
 - *Abstract** - 9, by both sides, without indents, italic;
- * if the main text is in Russian, here it is given in English and vice versa.**
4. After each section one line spacing.
 5. Figures and plots – in jpeg, bmp, tif, gif formats.
 6. Tables should be formed in Word, caption: *Table number. Title* (Times New Roman, 10, italic, on the right).
 7. Formulas should be centered, with the ability to edit them (equation editor «Microsoft Equation 3.0»), equation numbering on the right. Fonts: main – 12; large index – 9; small index – 7; large symbol – 15; small symbol – 12.

Example of theses preparation

UDC 624.012.25: 539.386

APPLICATION OF BOUNDARY INTEGRAL EQUATIONS METHOD TO THE SOLUTION OF PLATE BENDING PROBLEM

Ivanov O.I., Dr. Tech. Sc., Prof.
Odesa national polytechnic university, Odesa
Petrov P.P., PhD, Associate Prof.
Lutsk national technical university, Lutsk
