INVITATION

to an International Scientific
and Technical Conference

«Modern Structures of Metal and Wood»

June 12-14, 2025

Odesa, Ukraine

DEAR COLLEAGUES!

We invite you to take part in the International Scientific and Technical Conference "Modern Structures of Metal and Wood", which will be held on June 13-15, 2025 in Odesa State Academy of Civil Engineering and Architecture.

ORGANIZING COMMITTEE

A. Kovrov, PhD, Professor, Rector of the Odesa State Academy of Civil Engineering and Architecture, Member of the Presidium of the Academy of Civil Engineering of Ukraine, Vice President of the Academy of Energy of Ukraine, Academician of the Ukrainian Academy of Architecture, **Chairman of the Organizing Committee**;

S. Kroviakov, ScD, Professor, Vice-Rector of the Odessa State Academy of Civil Engineering and Architecture, **Deputy Chairman**;

A. Gilodo, PhD, Associate Professor, Head of the Department of MW and PS, member-correspondent of the Engineering Academy of Ukraine, **Deputy Chairman**.

MEMBERS OF THE ORGANIZING COMMITTEE

D. Banikov, ScD, Professor, Ukrainian State University of Science and Technology

S. Bilyk, ScD, Professor, Kyiv National University of Civil Engineering and Architecture;

V. Vyrovoy, ScD, Professor, Honored Figure of Science and Technology of Ukraine, Odessa State Academy of Civil Engineering and Architecture;

O. Gibalenko, ScD, Professor, State Technical University "Azov State Technical University";

O. Holodnov, ScD, Professor, Ltd. "Ukrinstalkon named after V.M. Shimanovsky";

S. Homon, ScD, Professor, National University of Water and Environmental Management;

Ye. Klimenko, ScD, Professor, Odesa State Academy of Civil Engineering and Architecture;

A. Makhinko, ScD, Professor, Laureate of the Award of the President of Ukraine, National Aviation University;

S. Pichugin, ScD, Professor, Poltava National Technical University named after Yuri Kondratyuk;

V. Sukhanov, ScD, Professor, Odesa State Academy of Civil Engineering and Architecture;

I. Yakovenko, ScD, Professor, National University of Life and Environmental Sciences of Ukraine;

Lucjan Slecza, PhD., Ass. Professor, Rzeszow University of Technology, Poland;

Andrzej Wojnar, PhD., Ass. Professor, Rzeszow University of Technology, Poland;

Adriana Bjelanović, PhD, Professor, Civil Eng. Msc, University of Rijeka, Croatia;

Ivana Štimac Grandić, Professor, PhD, Civil Eng. Msc, University of Rijeka, Croatia;

Paulina Krolo, Assistant Professor, PhD, Civil Eng. Msc, University of Rijeka, Croatia;

Sanja Dugonjić Jovančević, Associate Professor, PhD, Civil Eng. Msc, University of Rijeka, Croatia.

The purpose of the conference is to assist scientists, specialists in the building industry in the exchange of scientific and technical information on the problems of design and exploitation of steel, wooden and plastic structures, and implemented research results.

The program of the conference includes exhibitions and presentations of achievements of educational, scientific-research, design and production organizations.

THE CONFERENCE PROGRAM

The conference will work on the following areas:

1. Modern steel building structures for civil and industrial buildings and structures.
2. Implementation of innovative design solutions for the design, installation, restoration and operation of load-bearing and enclosing structures of metal, wood and plastics.
3. Low-rise and multistoried wooden house building.
4. Connection of precast adhesive elements.

Working languages of the conference: Ukrainian, English

CONDITIONS OF PARTICIPATION:

Send to the organizing committee in due time:

- Application form (the contents of the application are given below);
- Electronic version of the abstract to the e-mail address: **mdipk@odaba.edu.ua**;
- Copy of the payment order (organizational contribution).

Materials that do not meet the requirements set and those that send after the deadline are not considered by the organizing committee and are not accepted for publication.

It is planned to publish abstracts of conference reports. The reports recommended by the organizing committee can be submitted to the collection of scientific papers "Modern Structures of Metal and Wood", which is included to the list of professional publications of Ukraine (category B) and scientometric databases WorldCat and Index Copernicus.

In the application for participation in the conference please indicate: Your surname, first name, place of work (study), position, academic degree and academic rank (if any), contact information (e-mail, telephone, postal address), what form of participation you plan (presentation and printing of the abstract, participation in the discussion and printing of the abstract, only printing of the text of the abstract, only participation in the discussion), as well as the topic of your report. Multi-author reports should provide details of all co-authors.
