CALL FOR PAPERS

VI International Scientific and Practical Conference

INNOVATIVE TECHNOLOGIES IN TERRITORY PLANNING

October 23-25, 2025

*Dedicated to the 95th Anniversary
of the Odesa State Academy of Civil Engineering and Architecture
Odesa*

Dear colleagues

We invite you to participate in the **VI International Scientific and Practical Conference "Innovative Technologies in Territory Planning"**, which will be held at the Odesa State Academy of Civil Engineering and Architecture (Odesa, Ukraine) on **October 23–25, 2025**.

CONFERENCE ORGANIZING COMMITTEE

Chairman:

A. Kovrov – Professor, Ph.D., Rector of the Odesa State Academy of Civil Engineering and Architecture, Vice-President of the Academy of Energy of Ukraine, Head of the Territorial Branch of the Academy of Construction of Ukraine, Odesa, Ukraine;

O. Filatov – First Deputy Mayor of Odesa, Odesa, Ukraine;

Vice-Chairmens:

S. Krovnyakov – Professor, Doctor of technical sciences, Vice-Rector for Research, Odesa State Academy of Civil Engineering and Architecture, Odesa, Ukraine;

A. Kolosyuk – Associate Professor, Ph.D., Head of Department of Geodesy and Land Management, Odesa State Academy of Civil Engineering and Architecture, Odesa, Ukraine;

N. Novikova – Acting Director of the Department of Architecture, Urban Planning, and Land Relations of the Odesa City Council, Odesa, Ukraine.

Members of the organizing committee:

I. Azhaman – Doctor of Economic Sciences, Professor, Vice-Rector for Scientific and Pedagogical Work, Odesa State Academy of Civil Engineering and Architecture, Odesa, Ukraine;

O. Kempa – Ph.D., Adjunct at the Institute of Spatial Management, Wrocław University of Environmental and Life Sciences, Wrocław, Poland;

O. Lakhmatova – Head of the Certification Department, State Service of Ukraine for Geodesy, Cartography, and Cadastre, Kyiv, Ukraine;

V. Stadnikov – Ph.D. in Technical Sciences, Associate Professor, Professor of the Department of Geodesy and Land Management, Odesa State Academy of Civil Engineering and Architecture; Member of the Presidium of the Public Union "Ukrainian Society of Geodesy and Cartography", Odesa, Ukraine

Yu. Palekha – Doctor of Geographical Sciences, Professor, Deputy Director for Research, Ukrainian State Research and Design Institute of Urban Design "DIPROMISTO" named after Y.M. Bilokon, Kyiv, Ukraine;

A. Martyn – Doctor of Economic Sciences, Professor, Head of the Department of Land Management Design, National University of Life and Environmental Sciences of Ukraine; Corresponding Member of the National Academy of Agrarian Sciences of Ukraine; Senior Project Manager at the Cabinet of Ministers of Ukraine "Reform Office" (Land Reform), Kyiv, Ukraine;

I. Trevogo – Doctor of Technical Sciences, Professor, Institute of Geodesy, Lviv Polytechnic National University; President of the Public Union "Ukrainian Society of Geodesy and Cartography", Lviv, Ukraine;

A. Poltavets – Doctor of Economic Sciences, Head of the All-Ukrainian Public Organization "Association of Land Management Specialists of Ukraine", Kyiv, Ukraine;

S. Yevdokymenko – Doctor of Economic Sciences, Professor, Head of the Public Organization "All-Ukrainian Union of Land Appraisers", Kharkiv, Ukraine;

R. Tretiyak – Ph.D. in Economics, Associate Professor of the Department of Aerospace Geodesy and Land Management, State University "Kyiv Aviation Institute"; Head of the Public Union "GIS Association of Ukraine", Kyiv, Ukraine;

Ye. Seredynin – General Director of LLC "ESRI Ukraine", Kyiv, Ukraine.

CONFERENCE AIM

The purpose of the conference is to implement innovative solutions and exchange experiences in the fields of geodesy and surveying, cartography, geoinformation activities, and land management.

The program will include plenary and section presentations, as well as thematic discussions.

CONFERENCE TOPICS (SECTIONS)

The conference will include sessions in the following areas (*the list may be adjusted depending on the quality and focus of submitted participation applications*):

1. Education in geodesy, cartography, geoinformatics, and land management
2. Prospects for the development of geodetic, cartographic, and geoinformation activities
3. Modern technologies in geodetic, cartographic, and geoinformation activities
4. Contemporary land management and cadastre, land and real estate valuation
5. Improvement and implementation of the national spatial data infrastructure
6. Economics, marketing, and management in spatial and territorial development
7. Activities of professional sectoral associations and public organizations

PUBLICATION GUIDELINES

1. Please submit your abstract and author information to: **sconf_glm_gis@odaba.edu.ua**. File names should correspond to the author's last name (e.g., Ostapchuk_Abstract.docx, Ostapchuk_Info.docx).
2. Upon successful review, you will receive confirmation: **"Abstracts are accepted."**

All accepted abstracts will be compiled in a digital collection and sent to authors via email before the conference. Each participant will also receive a **Certificate of Participation**.

PARTICIPATION DETAILS

In your application, please indicate the following:

- Full name
 - Affiliation and position
 - Academic degree and title (if applicable)
 - Contact details (email, phone number, postal address)
 - Preferred form of participation:
 - Presentation and publication of abstract
 - Discussion participation and abstract publication
 - Abstract publication only
 - Discussion participation only
 - Report title
- For co-authored abstracts, provide complete information for all authors.

For general inquiries regarding the conference, advertising, organization of exhibitions and workshops, please contact the conference coordinator Volodymyr Stadnikov
Phone: +38 (050) 336-30-57
E-mail: stadnikov_ht@odaba.edu.ua
