

Example of abstract design

TRAINING OF SPECIALISTS IN ENERGY EFFICIENCY OF THE INDUSTRY

KRIVENKO V.

Odesa State Academy of Civil Engineering and Architecture

GALUSHKO I., IVANOV E.

*O.M. Beketov National University
of Urban Economy in Kharkiv*

Pages are not numbered. Text – without hyphenation.

If necessary: the literature used is drawn up at the end of the text under the heading "Literature". In the text, references are indicated by square brackets with the indication of the serial number of the source in the list and the number of the page (pages) separated by commas, for example: [3, p. 115]. No other way of formalizing the use of literature is allowed.

Literature:

1. On Copyright and Related Rights: Law of Ukraine dated 11.07.2001 No. 2627-III. Uryadovy kur'yer – 2001. – September 5. – P. 26.

APPLICATION FORM

Surname and initials (of the first author) _____

Surname and initials of the co-authors _____

HEI, institution, etc _____

Title of the abstract of the report _____

I ask you to publish the abstract in the volumes of ___ pages. I take full responsibility for the precision of the information provided, the accuracy of the data on the cited literature and for the use of data that are not subject to open publication.

I plan to take part in the conference _____ (face-to-face / remote/part-time)

I plan to report _____ (yes/no, if yes, then at a plenary or sectional meeting) _____

I plan to buy a printed collection of _____ (yes/no, number of copies)

I ask you to send the printed collection by mail to the address _____ recipient _____

Contact details (phone, person, etc.) _____

Ministry of Education and Science of Ukraine
Odesa State Academy of Civil Engineering and Architecture
SE "Research Institute of Building Structures"
ELEKTRON GMBH (Germany)
Firm "HERZ" (Austria)
Academy of Energy of Ukraine
Research and Production Center "Ecostroy"

INVITATION

III International Scientific and Practical Conference

ENERGY-EFFICIENT CITY. XXI CENTURY

The event is implemented within the framework of cooperation under the 101082898 – UKRENERGY project, co-financed by the European Union: "Innovative Master's Courses to Support the Improvement of the Energy and Carbon Footprint of the Construction Fund of Ukraine".

Co-funded by
the European Union

November 14-15, 2024

Odesa

ORGANIZING COMMITTEE

Co-Chairs of the Organizing Committee:

Kovrov A., Ph.D., Professor, Honored Worker of Science and Technology of Ukraine, Rector of the Odesa State Academy of Civil Engineering and Architecture, Vice-President of the Academy of Energy of Ukraine, Head of the Territorial Branch of the Academy of Civil Engineering of Ukraine;

Fareniuk G., Doctor of Technical Sciences, Professor, Director of the State Enterprise "Research Institute of Building Structures".

Deputy Chairmen of the Organizing Committee:

Kroviakov S., Doctor of Technical Sciences, Professor, Vice-Rector for Research, Odesa State Academy of Civil Engineering and Architecture;

Lapina O., Ph.D., Associate Professor, Acting Director of the Institute of Hydraulic Engineering and Civil Engineering of the Odesa State Academy of Civil Engineering and Architecture;

Elkin Y., Ph.D., Associate Professor, Head of the Department of Heat and Gas Supply and Ventilation of the Odesa State Academy of Civil Engineering and Architecture, Corresponding Member Academy of Energy of Ukraine.

Members of the Organizing Committee:

Burdo O., Doctor of Technical Sciences, Professor, Head of the Department of Processes, Equipment and Energy Management, Odesa National Academy of Food Technologies;

Bianco V., Full Professor, University of Naples "Parthenope" (Italy);

Gerasimenko O., Associate Professor, Head of the Department of Provision and Implementation of New Technologies for Energy Conservation and Technology Transfer, Odesa State Academy of Civil Engineering and Architecture;

Gerhardt O., Technical Director of "ELEKTRON GMBH" (Germany);

Glynzherer G., Ph.D., CEO of HERZ Armaturen (Austria);

Isaev V., Ph.D., Associate Professor of the Department of Heat and Gas Supply and Ventilation, Odesa State Academy of Civil Engineering and Architecture;

Klymchuk O., Doctor of Technical Sciences, Professor, Director of the Center for Energy Efficient Technologies, Head of the Department of Thermal Power Plants and Energy Saving Technologies, Odesa Polytechnic National University;

Osetrin M., Ph.D., Professor of the Department of Urban Construction, Kyiv National University of Construction and Architecture;

Progulnyi V., Doctor of Technical Sciences, Professor of the Department of Hydraulic Engineering, Odesa State Academy of Civil Engineering and Architecture;

Rusu I., Doctor of Technical Sciences, Professor, Technical University of Moldova;

Sukhanov V., Doctor of Technical Sciences, Professor, Director of the Institute of Architecture and Art of the Odesa State Academy of Civil Engineering and Architecture, Scientific Director of the Research and Production Center "Ecostroy";

Khlytsov M., Ph.D., Associate Professor, Head of the Department of Processes and Apparatuses in the Technology of Building Materials, Odesa State Academy of Civil Engineering and Architecture.

Coordinator - Kriukovska-Telezhenko S., Ph.D., Associate Professor of the Department of Heat and Gas Supply and Ventilation, Odesa State Academy of Civil Engineering and Architecture: (093) 7019948, E-mail: krukovskay@odaba.edu.ua

Topics of the conference

- 1. Scientific and methodological aspects of energy efficiency of a modern city**
- 2. Modern efficient building materials, structures and technologies**
- 3. Energy-efficient engineering systems of cities**
- 4. Urban transport infrastructure. Urban Ecology**
- 5. Training of specialists in energy efficiency and energy conservation**

Working languages of the conference: Ukrainian, English.

Conditions of participation

To participate in the conference, it is necessary to send an application by November 1, 2024 and by November 5, 2024, send an abstract or article to the krukovskay@odaba.edu.ua e-mail with the subject "Conference" in the form of a file created in Microsoft Word in the "doc" format.

The file name should consist of the number of the conference topic and the surname of the first author, for example, 2Сідоренко.doc.

The materials submitted to the Organizing Committee must correspond to the topic of the conference and be formatted in accordance with the requirements.

Requirements for registration

The volume of abstracts is 3-5 **full pages** in A4 page format (297×210 mm), portrait orientation. Margins – 20 mm. Font: Times New Roman, size – 14, line spacing – 1.15. The first line is **the TITLE OF THE REPORT** (bold font, all uppercase, centered). The second line is **LAST NAME AND INITIALS** (bold font, all uppercase, right-aligned), *name of the organization, city, country* (italics, after the authors' surnames). This is followed by text aligned in width with a left indent of 5 mm.

If desired, the participants of the conference can additionally submit an article for publication in the professional scientific periodical "Modern Construction and Architecture". Requirements for the design of these articles are on the website <http://visnyk-odaba.org.ua>.

Payment of the registration fee

The cost of publication in the collection of abstracts is 40 UAH. for each page. The cost of the collection is 70 UAH. When ordering the shipment of the collection by Nova Poshta in Ukraine, delivery is paid at the expense of the recipient.

Details for payment will be sent to the authors in case of acceptance of articles for publication.

In the payment order, it is necessary to indicate the "Registration fee for the ISPC" and the full name of the participant.

Please provide the Organizing Committee with a copy of the payment receipt.
