

## PAYMENT OF THE ORGANIZATIONAL FEE

The organizational fee, including the costs of publication of works and the transfer of information materials, in the national currency of Ukraine is 200 UAH and transferred to the account with indication of the payment order "Registration fee for the participation in the conference «Structuring, strength and destruction of composite materials and structures» and Full name.

### Details of the registration of the organization:

CENTER OF STCY IN AC OF THE OSACEA, code **21028281**, IFT **320478** Payment account **IBAN UA 10320478000026009924861812** in **PJSC JSB "UkrGasbank"**

### DEADLINE

Submission of applications	until 25 of March, 2025
Submission of reports	until 01 of April, 2025
Payment for participation (registration fee)	until 17 of April, 2025
Registration of participants	until 22 of April 2025

### CONTACT INFORMATION

**Odesa State Academy of Civil Engineering and Architecture**  
4, Didrihsona str., Odessa, 65052, Ukraine

#### Coordinator

Ph.D., senior lecturer, Nepomiashchii Oleksandr Mykolayovych  
Tel., Viber/ Telegram: +380977695495, e-mail: [lottor27@gmail.com](mailto:lottor27@gmail.com)

Ph.D., associate professor, Sukhanova Svitlana Volodymyrivna  
Tel., Telegram: +380639980991, e-mail: [sukhanova372@gmail.com](mailto:sukhanova372@gmail.com)

### Requirements for designing

Abstracts – until 4 **full pages** at A5 page format (148×210 mm). Fields: upper, bottom, left and right - 20 mm; Font - Times New Roman, kegel - 10, line spacing – 1, abbreviated retreat - 0.5 cm, annotation are not allowed, UDC is not specified.

#### Example of abstract design:

**TITLE OF THE REPORT** (TimesNewRoman, 10 pt, font is bold all uppercase, aligned center);

after the name one line to skip

**Surname, Name**, *scientific degree, academic rank (institution, italic TimesNewRoman, 10 pt, centered)*

after the authors one line to skip.

Text of abstracts with an indentation of 0,5 cm and alignment in width

Abstracts sent to the mail: [vbk@odaba.edu.ua](mailto:vbk@odaba.edu.ua)

## INVITATION

to the international scientific and technical  
conference

**Structuring, strength and destruction of composite  
materials and structures**

from 22<sup>th</sup> to 23<sup>th</sup> of April 2025

Odesa, Ukraine

## DEAR COLLEAGUES!

We invite you to take part in the work of the International Scientific and Technical Conference **Structuring, strength and destruction of composite materials and structures**, which is scheduled to take place **from 22th to 23th of April 2025** at the Odesa State Academy of Civil Engineering and Architecture. The conference program includes an exhibition and presentation of the achievements of educational, research and design, production and commercial organizations.

### ORGANIZATIONAL COMMITTEE

**Kovrov A.V.**, PhD, Professor, Rector of Odesa State Academy of Civil Engineering and Architecture, Member of the Presidium of the Academy of Construction of Ukraine, Vice-President of the Academy of Energy of Ukraine, Academician of the Ukrainian Academy of Architecture, **Chairman of the Organizing Committee;**

**Vyrovoi V.M.**, Doctor of Engineering Sciences, Prof., Odesa State Academy of Civil Engineering and Architecture, **deputy chairman of the organizing committee;**

**Kroviakov S.O.**, Doctor of Engineering Sciences, Prof., Vice-rector of Odesa State Academy of Civil Engineering and Architecture, **deputy chairman of the organizing committee;**

**Gara O.A.** Ph.D., prof., acting Director of the Construction Technology Institute of the Odesa State Academy of Civil Engineering and Architecture, **deputy chairman;**

**Martynov V.I.** Ph.D. prof., Head of the department of production of construction products and structures of the Odesa State Academy of Civil Engineering and Architecture, **deputy head;**

**Barabash I.V.**, Doctor of Engineering Sciences, Prof., Odesa State Academy of Civil Engineering and Architecture;

**Dvorkin L.Yo.**, Doctor of Engineering Sciences, Prof., National University of Water and Environmental Engineering;

**Derevianko V.N.**, Doctor of Engineering Sciences, Prof., Ukrainian State University of Science and Technology;

**Kryvenko P.V.**, Doctor of Engineering Sciences, Prof., Kyiv National University of Construction and Architecture;

**Korobko O.O.**, Ph.D., Associate Professor, Odesa State Academy of Civil Engineering and Architecture;

**Ragulin A.V.**, director of LLC "Stikon";

**Lyashenko T.V.**, Doctor of Technical Sciences, Professor, Odesa State Academy of Civil Engineering and Architecture;

**Mishutin A.V.**, Doctor of Engineering Sciences, Prof., Odesa State Academy of Civil Engineering and Architecture;

**Netesa M.I.**, Doctor of Engineering Sciences, Prof., Ukrainian State University of Science and Technology;

**Pluhyn A.A.**, Doctor of Engineering Sciences, Prof., Ukrainian State University of Railway Transport;

**Russu I.V.**, Doctor of Engineering Sciences, Prof., Technical University of Moldova;

**Sanytskyi M.A.**, Doctor of Engineering Sciences, Prof., Lviv Polytechnic National University;

**Sukhanov V.H.**, Doctor of Engineering Sciences, Prof., Odesa State Academy of Civil Engineering and Architecture, Scientific Director of scientific and production center "ECOSTROY";

**Farenjuk N.N.**, Doctor of Engineering Sciences, director SE "State Research Institute of Building Constructions";

**Shynkevych O.S.**, Doctor of Engineering Sciences, Prof., Odesa State Academy of Civil Engineering and Architecture;

**Daniel Lepadatu**, PhD, Assoc. prof., Gheorghe Asachi Technical University of Iasi (Romania);

**Loredana Judele**, PhD, Senior Lecturer, Gheorghe Asachi Technical University of Iasi (Romania);

**Yuri Ribakov**, DrSc. prof, Ariel University (Israel).

**The purpose of the conference** is to improve and develop international cooperation of scientists and manufacturers in solving problems of design of building materials and structures

### THE TOPICS OF THE CONFERENCE

The program includes plenary sessions, sectional and poster presentations, as well as roundtable discussions on key topics.

1. Mechanics and physics of destruction of concrete and reinforced concrete;
2. Synergetic approach in the analysis of the structure and properties of composite materials and structures;
3. Structuring of composite building materials and structures;
4. Analysis of the work of materials in building structures;
5. Work of materials of designs at various influences;
6. Modeling and optimization of composite building materials and structures;
7. Building materials and structures in the context of post-war country recovery tasks.

*Working languages of the conference:* Ukrainian, English.

### TERMS OF PARTICIPATION:

Timely forward to the Organizing Committee:

1. Application for participation (an example application is shown below);
2. Printed original abstract of the report (1 copy) and its electronic version (by e-mail to: [vbk@odaba.edu.ua](mailto:vbk@odaba.edu.ua));
3. Copy of the payment order (registration fee). Materials that do not meet the requirements, and those received after the deadline, are not considered by the organizing committee and are not accepted for publication.

Materials that do not meet the established requirements or are submitted after the specified deadline will not be reviewed by the organizing committee and will not be accepted for publication.

A conference abstract collection is planned for publication. Presentations recommended by the organizing committee, formatted according to the relevant guidelines, may be submitted for publication in a journal included in the list of professional publications of Ukraine.

**In the application for participation** in the conference, fill in: surname, name, place of work (study), position, academic degree and academic title (if available), contact details (e-mail, phone, mailing address), what form of participation do you plan (presentation with the report and printing of theses, participation in the discussion and printing of theses, only printing the text of theses, only participating in the discussion), and the topic of your report. For reports of authorship of several authors should provide data on all co-authors.
